

PARENTING PRESCHOOLERS WITH LOVE AND LOGIC. . .

A parent training program designed by the
Love and Logic® Institute, Inc.

Do you ever find yourself in power struggles with your child?
Would you like to feel more confident as a parent?
Would you like to learn “one-liners” to stop arguments on the spot?

Love & Logic is a philosophy that provides simple and practical techniques to help parents have less stress and more fun while raising responsible children. Love & Logic will help you determine what type of parenting style you use, what will and will not work with your children, and provide great comebacks every parent should know.
